Items

#	Items	Correct Answer	Your Answer	Result
1	Which of the following risks is brought to rely on an external third party?	A	A	Correct
2	During a penetration testing engagement and transmit those copies in this way?	B	B	Correct
3	A user complains that every time they have to close. What is the likely cause?	D	D	Correct
4	Which mobile deployment model allows user staff must be trained and skilled?	B	B	Correct
5	Which of the following is a process that, authenticity, and non-repudiation?	D	D	Correct
6	In order to save on the cost of SSL certificates additional costs below \$2,000.00?	A	A	Correct
7	What kind of virtualization relies on a “master image”?	C	C	Correct
8	What is the most common concern with residential IoT devices and technologies?	C	C	Correct
9	How does DNSSEC secure the exchanges between DNS clients (resolvers) and servers?	D	D	Correct
10	On an IPsec VPN, what protocol negotiates security associations?	A	A	Correct
11	Which of the following is the most recent extension of the syslog service?	A	A	Correct
12	Which of the following terms refers to an agent by interacting with the threat agent?	B	B	Correct
13	Which privacy-enhancing technology neither removes information with the same character?	B	B	Correct
14	What is the EU regulation called that restricts the transfer of personal data outside of the EU?	C	C	Correct

#	Items	Correct Answer	Your Answer	Result
15	What standard-based protocol collects ...s, and have the same class of service?	D	D	Correct
16	You've been asked to secure the ...restrict the file to root access only?	C,D	C,D	Correct
17	As an organization becomes large enough...not considered and addressed up front?	A	A	Correct
18	If authentication is desired along with..., which mode of operation provides it?	C	C	Correct
19	A threat hunter wants to research a new... be shared by malicious threat agents?	D	D	Correct
20	Which of the following statements about SSO are accurate?	A,E	A,E	Correct
21	A security appliance that has been inspected...I appliance have missed such a threat?	A	A	Correct
22	What differences exist between IPsec VPN...related with L2TP and with IPsec alone?	C,D	C,D	Correct
23	Which of the following are examples of...nce used for cybersecurity resilience?	A,E,F	A,E,F	Correct
24	What MDM features allow the administrator...t on mobile devices in the background?	A,E	A,E	Correct
25	You have a critical database server that...e your recovery plan for that service?	C	C	Correct
26	A friend had their personal photos stolen...e future, what advice should you give?	B,C	B,C	Correct
27	You need to install a new fire extinguisher...set. What class would be most useful?	A	A	Correct
28	You've been instructed to implement...e following list, which would qualify?	A,B,F	A,B,F	Correct
29	What group permissions would a Linux file...permissions displayed as '-rwxrw-r--'?	C	C	Correct

30	After having trouble navigating to a website solve the problem you are facing?	D	D	Correct
31	Which of the following is a characteristic of syslog?	C	C	Correct
32	What is one of the reasons why WEP is ...acceptable wireless security protocol?	B	B	Correct
33	Drag the description for each technology. Each description will be used more than once.			Correct
34	Which of the following are essential security steps on all mobile devices?	D,E	D,E	Correct
35	Which of the following would be the best current professionals in the industry?	A	A	Correct
36	Which statement about the authentication technologies TOTP, HOTP, and SMS is accurate?	A	A	Correct
37	Which of the following tools are used primarily to gather OSINT?	A,B	A,B	Correct
38	An enterprise cloud administrator needs a solution to the administrator's needs?	D	D	Correct
39	What element of your risk mitigation strategy is reducing new security vulnerabilities?	B	B	Correct
40	What primary risk does placing the entire organization on the same virtualization host pose?	D	D	Correct
41	Which technology or category of products is used for central processing and analysis?	B	B	Correct
42	Which of the following is an accurate characteristic of threat maps?	D	D	Correct
43	Your company is contracting with a US company. You are most likely to become familiar with?	D	D	Correct
44	You've been asked to provide security technology. What should you research first?	C	C	Correct

#	Items	Correct Answer	Your Answer	Result
45	What steps might be taken as part of a vulnerability scan?	A,B,C	A,B,C	Correct
46	What security feature makes it more difficult to generate reports on your network activities?	D	D	Correct
47	Which of the following social-engineering techniques is not technically illegal in the USA?	A	A	Correct
48	Which of the following controls primarily protect data integrity?	D,E	D,E	Correct
49	What kind of security training is most important for a company executive?	B	B	Correct
50	On a security forum, you learned that a minimal disruption to business practices?	B	B	Correct
51	Your company is developing a custom web application. What standard would allow this?	B	B	Correct
52	What backup type might require specific operating system support?	A	A	Correct
53	What are the possible challenges involved after the discovery of an incident?	A,B	A,B	Correct
54	Your department just deployed some fake logs to the SIEM. What technique is being used?	D	D	Correct
55	Which of the following key management techniques has a strong multi-cloud presence?	B	B	Correct
56	With respect to digital forensics, what common goal do video and hashing share?	A	A	Correct
57	Which of the following are best practices when using firewalls as a security control?	A,D	A,B	Correct
58	An in-house application crashes whenever it is the cause of this undesired behavior?	B,C	B,C	Correct
59	When is it acceptable for the subject to sign their own certificate?	A	A	Correct

#	Items	Correct Answer	Your Answer	Result
60	An attacker with a fraudulent certific...still let you know something is wrong?	A	A	Correct
61	Which of these statements about bash scripts is accurate?	A	A	Correct
62	A user complains that after entering a...did the user most likely fall prey to?	A	A	Correct
63	What technology can be used to give us...ed user accounts established for them?	B	B	Correct
64	In the context of penetration testing,...to not know that the test is underway?	A	A	Correct
65	Which of the following is a unique characteristic of an EV certificate?	C	C	Correct
66	Which of the following environments is...less malware in a Windows environment?	B	B	Correct
67	What role does SAE play in improving t...e in WPA3 as compared to that in WPA2?	A	A	Correct
68	When is it appropriate to establish a legal hold on information?	A	A	Correct
69	You're classifying data for a private ...ssification does PHI most likely fall?	D	D	Correct
70	Which of the following is a document t...ill most likely have more than one of?	A	A	Correct
71	Which of the following statements is a...reparing for zero-day vulnerabilities?	A	A	Correct
72	If a dummy security camera with a ligh...ity control does the camera represent?	C,D	C,D	Correct
73	What tool or technique might a pentest...eil the physical features of a target?	C	C	Correct
74	On a subnet with limited physical secu...witch feature could help prevent both?	C	C	Correct

#	Items	Correct Answer	Your Answer	Result
75	A payment card-reader technician is in...be a likely culprit in this situation?	B	B	Correct
76	You're reviewing a web applicati...e features are security warning signs?	A,B,E	A,B,E	Correct
77	According to the latest guidance from ...sword-policy recommendations is valid?	C	C	Correct
78	What technology uses the TPM to store ...ort in a quote for remote attestation?	B	B	Correct
79	Which of the following statements about the incident response is most accurate?	B	B	Correct
80	How is ALE computed?	B	B	Correct
81	What is the best way to visualize the ...and how they overlap with one another?	D	D	Correct
82	Which of the following terms related t...ncourage discovery of vulnerabilities?	B	B	Correct
83	Which of the following is an example of OSINT?	A	A	Correct
84	As a user, which of the following ...m man-in-the-middle (on-path) attacks?	D	D	Correct
85	Which of the following is an office-pr...urity controls or added external ones?	B	B	Correct
86	Which of the following statements conc...g hybrid warfare is a false statement?	B	B	Correct
87	Which of the following describes the concept of qualitative risk assessment?	D	D	Correct
88	Which of the following statements about RAID 5 is accurate?	C	B	Incorrect
89	Which automated application-developmen...uirements during the auditing process?	C	B	Incorrect

#	Items	Correct Answer	Your Answer	Result
90	What kind of attack is against a softw...ty that hasn't been patched yet?	C	C	Correct
